WannaTry (Again)?

Beach Edition

August 12 – 25, 2019

Rio de Janeiro, Brazil

A peripatetic exhibition organized by Noemata in collaboration with Browserbased in the streets and beaches of Rio.

"They must invariably have hope!"

The people of Rio face stark contrasts sociologically, economically, and by nature. The agribusiness, rainforest, cityscapes, and sea burn or co-mingle, as do people on the beaches regardless if rich or poor, privileged or precarious. The beach is for everybody! The steady stream of beach vendors cross randomly through these layers of society when trying to sell. People appear humble in general, the divide seems to be tacitly accepted, and be sheer distance, unbridgeable. Religion and hope play a big part which beside providing charity on occasions strive to pacify people to their destinies. Imagine Christ the Redeemer statue as a big shrug gesture – bad luck, wanna try again?

WannaTry (Again)? is organized by Bjørn Magnhildøen (NO/ES) and Ana Buigues (ES), together with Alex Zakkas (NL/GR), Joubin Zargarbashi (NL/UK/IR) and Zsolt Mesterhazy (NL).

Showing works by Aad Björkro (SE), Igor and Ivan Buharov (DE/HU), Chaise group (Facebook), Jagoda Dmochowska (NL/PL), Silvia Gatti (NL/IT), Ben Grosser (US), Tibor Horvath (DE/HU), Florian Kuhlmann (DE), Bjørn Magnhildøen (ES/NO), Zsolt Mesterhazy (NL), Karina Palosi (NL/HU), Dominik Podsiadly (PL), Predictiveartbot.com (WWW), Jasna Velickovic (NL/RS), Alex Zakkas (NL/GR), and Joubin Zargarbashi (NL/UK/IR).
