TELEPHONE: (36-1) 311-9812 FAX: (36-1) 312-8483

April 1, 2005 Budapest

**To: the Boards of the *International Symmetry Association (ISA)*
in charge of the organising committee of the
„Symmetry Festival 2006”**

Subject: Patronage of the „Symmetry Festival 2006”

In the hope, that the next Symmetry Festival, to be organised in summer 2006 in Budapest again, will further strengthen the international recognition of the best traditions of the Hungarian symmetry studies in the scientific community, the Hungarian Academy of Sciences patronizes the meeting.

I wish the events be as successful, as were the „Symmetry Festival 2003” and the revival of the International Symmetry Association.
